

Vital Signs

THE ULTIMATE RUSH TRIBUTE BAND

FOR IMMEDIATE RELEASE:
RUSH Tribute Band "Vital Signs" Arrives on the Scene

Oshkosh, Wisconsin USA 3/5/09

Vital Signs is an authentic three piece Rush tribute band playing a wide variety of Rush songs from their extensive library. Walter (Topsy) Phillips (Guitars), Brian Le May (Bass, Vocals, Keyboards) and Dan (Goobar) Lautenschlager (Percussion) are pleased to announce that they have finalized their show and are ready to take the act on the road. The three members, each with over 20 years of stage experience, have decided to form a Rush tribute band for the satisfaction and challenges that playing music this intricate can bring. Tired of the same old club scene, this decision allows the band to showcase their talent in a way that is truly marketable.

At this time the band is searching for a suitable agent to book them in the larger venues worthy of the sheer magnitude of the show they are bringing. The music is certainly right on and the vocals are amazing. The word best describing the band is simply "Wow". This was the word heard by each member at least 40 times within minutes after completing their debut show. Keep an eye out for this power trio as they bring this amazing show to a venue near you. Vital Signs will surely be a hot ticket and a must for even the occasional Rush fan.
